

Imagine **Prophetess Miriam**, weaving a tapestry of **wordless vocals, ancient rhythms** and **Hebrew** sung into **biblical drums**...quieting your intellect, **releasing tension**, and **increasing focus** as you arrive energized and **replenished** on an **empowering** journey to your personal promised land.

**Eliana Gilad, TEDx presenter**, Founder of **Voices of Eden**, helps heart centered professionals find their authentic voices.

Eliana offers a **seemingly magical means of self-discovery** through the simple, conscious use of voice and rhythm she found **effective even as bombs dropped** during the 2006 war in Israel.

**Gilad** founded the **world's 1st live music research** in an **50/50% Jewish-Arab Israeli hospital**. Gilad has presented at the **U.N., Chopra Center**, with **Bobby Mc Ferrin, Marianne Williamson**, and is featured in **Sharon Stone's** award winning film, *Femme*.
